I would like to take a moment to thank you and your staff for the excellent job that you did with the reroofing of our facility here in Fort Worth, TX. The job was completed on time and on budget with no surprises and we look forward to many years of new life to the roof. Your crew conducted themselves professionally and efficiently and clean any mess throughout the day to avoid any unsightly debris, which was greatly appreciated.

The services you provide and the quality of your work is tremendous. I greatly recommend your company to anyone looking for similar results and an honest approach. Should the need arise; I would not hesitate to use CSI renovations again.

Thank You,
